Dear family in Christ,

We are reaching out for your support before the City Council public hearing. MDV submitted an application to the city in order to obtain a SUP (Special Use Permit) for the purchase of the land where MDV's facilities are going to be built. For the last fourteen years our mission has been to serve the community and we want to be able to continue with our ministry within the city limits. The property is located along the Mt. Clinton Pike corridor in the northern part of Harrisonburg.
