The Zoning Ordinance states that the R-2, Residential District is intended for medium-density, single-family and duplex residential development. The R-8, Small Lot Residential District is intended for medium- to high-density residential development that includes single-family detached, duplex, and in special circumstances townhouse development. The residential density ranges for R-8 are single-family, 2,800 sq. ft. minimum; duplex, 1,800 sq. ft. minimum/unit; townhouses, 1,800 sq. ft. minimum/unit; and other uses, 6,000 sq. ft. minimum. The B-2, General Business District is intended to provide sufficient space in appropriate locations for a wide variety of retail shopping, commercial, automotive, miscellaneous recreational, and service activities. The Comprehensive Plan designates this site as Medium Density Mixed Residential. These areas have been developed or are planned for small-lot single-family detached and single-

family attached (duplexes and townhomes) neighborhoods, where commercial and service uses might be finely mixed within residential uses or located nearby along collector and arterial streets. Mixed-use buildings containing residential and non-residential uses and multi-family dwellings could be appropriate under special circumstances. The gross density of development in these areas could be around 20 dwelling units per acre. The parcel is addressed as 1250 West Market Street and is identified as tax map parcel 37-G-10.
