RE: FY22-23 Community Services Board Performance Contract Amendments

Dear Community Serviced Board and Behavioral Health Authority (collectively, the "CBS")
Executive Directors,

The Office of Management Services (OMS) would like to thank you all for working with us through this amendment period of the FY22-23 Community Services Performance Contract (PC). This performance contract does not expire until June 1, 2023. For this review we are only amending certain documents and not the entire performance contract. We welcome any other suggested changes for consideration with the next iteration of the PC and they should be shared with the VACSB Performance Contract Review Committee, Ellen Harrison as your point of contact.

Please keep in mind that the performance contract is a transactional document and revisions may be necessary for clarification and better alignment with the strategic initiatives of the Commonwealth. The OMS has reviewed the current PC with other DBHDS internal stakeholders and the VACSB Performance Contract Review Committee and have determined the need to amend certain documents to provide clarity, remove outdated or redundant information, and to add language for the implementation of the new federal funding reimbursement model.

We would like to bring your attention to certain documents for this amendment period. Please take the time to review these documents to understand what will be required of your CSB.

1. FY2022 and 2023 Community Services Performance Contract – Section 9 is a material change that provides the requirements for billing and payments based on the federal funding reimbursement model.
2. Exhibit B: Continuous Quality Improvement (CQI) Process and CSB Performance Measures – Section I.A.1. implementation of the Suicide Screening Measure 86% benchmark.

3. **Exhibit F: Federal Grant Requirements** – These are required material changes that are not negotiable as a Subrecipient of federal funds. This exhibit has been revised to reflect the current federal grants and their general and specific terms and conditions. Other grants have also been deleted because they have expired. Section II Defined Terms, Major Medical Equipment cost requirement has been increased from \$1K to \$5K per unit. Section VI provides the current federal grants that DBHDS passes-through to CSB and the required identifying information that should be used to categorize and track these funds. We encourage you to familiarize yourself with this exhibit as a Subrecipient of federal funds.
4. **Exhibit G: Master Program Services Requirements** – This exhibit has been revised to provide general terms and conditions for certain programs services that a CSB may provide with the intent to reduce the amount of Exhibits D the Department and CSBs will have to review, process, and track. Keep in mind that this exhibit is not inclusive of all programs/services a CSB may provide and it will not replace the need for Exhibits D.
5. **Exhibit I: Behavioral Health Wellness - Language** has been added related to Gambling prevention funding.
6. **Addendum I: Administrative Requirements and Processes and Procedures- Appendix C: Unspent Balances Principles and Procedures, Section 1.b.** language was added to align with the new federal reimbursement model. Section 1.d. removed outdated language. Section 1.e. language added for clarity. Section 3 b and c removed outdated and/or conflicting language.
7. **Exhibit M: The Department of Justice Settlement Agreement** – Changes are part of the DOJ settlement agreement (DOJSA) and are required material changes that are not negotiable. Item 29 provides additional language for all CSBs to review and provide annual feedback on the QRT (Quality Review Team) End of Year Report. Also, Item 4.b. provides modifications to the frequency of completion of the OSVT (On-Site Visit Tool) in response to CSB Support Coordinator (SC) turnover and staffing concerns. Specifically, DBHDS has required that the OSVT be completed once per month in months where visits occur regardless of whether the person had TCM (Targeted Case Management) or ECM (Enhanced Case Management). This schedule of completion was initially a compromise to meet DOJSA requirements and manage the workload for SCs, which was not reflected in the last version of the Performance Contract. Given current recruitment and retention challenges, an altered schedule of completion for TCM will assist with addressing staffing challenges and workload while maintaining current expectations for people with more complex needs (i.e. ECM). This change is recommended by the DBHDS Case Management Steering Committee in response to ongoing staffing concerns across CSBs.

Item 11.b. is also modified to provide the addition of "as provided under Therapeutic Consultation waiver services" which aligns with the training mentioned and helps clarify that the plans reviewed are in line with the scope of the SC. The training clarifies the basic elements reviewed and how to document related information.
8. **Exhibit K: State Hospital Census Management Admission and Discharge Requirements – Clinical Readiness for Discharge Scale** revised to prevent non-clinically ready NGRI

(Not Guilty by Reason of Insanity) patients from appearing, inappropriately, on the Extraordinary Barriers to Discharge list.

Timeline for Execution

The amendments to the PC shall be effective as of **July 1, 2022**. Please keep in mind the Department cannot provide any state-controlled funds after September 30th if the contract has not been signed by your CSB. It is important for the smooth continuity of the process to have signed performance contracts returned to the Department as soon as practicable.

The Department would like to thank you all for your service and partnering with us. All your hard work and dedication to both your communities and our community services system is much valued and appreciated.

If you need help or have questions about this process, please email performancecontractsupport@dbhds.virginia.gov or contact our technical assistance number at 804-225-4242.

Thank you,

AMENDMENT 1
Harrisonburg-Rockingham Community Services Board
FY 2022 AND FY 2023 COMMUNITY SERVICES PERFORMANCE CONTRACT
Contract No. P0551.766.1

1. Purpose

The Department of Behavioral Health and Developmental Services (the “Department”) and the Community Service Board or Behavioral Health Authority (the “CSB”) enter into this contract for the purpose of funding services provided directly or contractually by the CSB in a manner that ensures accountability to the Department and quality of care for individuals receiving services and implements the mission of supporting individuals by promoting recovery, self-determination, and wellness in all aspects of life.

Title 37.2 of the Code of Virginia, hereafter referred to as the Code, establishes the Virginia Department of Behavioral Health and Developmental Services, hereafter referred to as the Department, to support delivery of publicly funded community mental health (MH), developmental (DD), and substance use (SUD), services and supports and authorizes the Department to fund those services.

Sections 37.2-500 through 37.2-512 of the Code require cities and counties to establish community services boards for the purpose of providing local public mental health, developmental, and substance use disorder services; §§ 37.2-600 through 37.2-615 authorize certain cities or counties to establish behavioral health authorities that plan and provide those same local public services.

This contract refers to the community services board, local government department with a policy-advisory community services board, or behavioral health authority named in this contract as the CSB. Section 37.2-500 or 37.2-601 of the Code requires the CSB to function as the single point of entry into publicly funded mental health, developmental, and substance use disorder services. The CSB fulfills this function for any person who is located in the CSB’s service area and needs mental health, developmental, or substance use disorder services.

Sections 37.2-508 and 37.2-608 of the Code and State Board Policy 4018, establish this contract as the primary accountability and funding mechanism between the Department and the CSB, and the CSB is applying for the assistance provided under Chapter 5 or 6 of Title 37.2 by submitting this contract to the Department.

The CSB exhibits, addendums, appendices, Administrative Requirements and Processes and Procedures, CCS Extract, Core Services Taxonomy, and Partnership Agreement documents are incorporated into and made a part of this contract by reference. The documents may include or incorporate ongoing statutory, regulatory, policy, and other requirements that are not contained in this contract. The CSB shall comply with all provisions and requirements. If there is a conflict between provisions in that document and this contract, the language in this contract shall prevail.

2. Defined Terms

Appropriation Act is defined as an Act for the appropriation of the Budget submitted by the Governor of Virginia in accordance with the provisions of § 2.2-1509 of the Code of Virginia and to provide a portion of the revenues for a two year period.

Federal Fiscal Year the Federal Fiscal Year begins on October 1 of the calendar and ends on September 31 of the subsequent calendar year.

Federal Funds the Federal Funds are funds that are allocated by the federal government and are provided to the Department of Behavioral Health and Developmental Services as the State of Virginia’s authority for the allocation, management, and oversight for the use of these specific funds. The funds are considered restricted and must be used or encumbered during the federal fiscal year or extensions. Any unused funds are required to be returned to the Department by the CSB and from there to the federal government in a timely manner.

AMENDMENT 1
Harrisonburg-Rockingham Community Services Board
FY 2022 AND FY 2023 COMMUNITY SERVICES PERFORMANCE CONTRACT
Contract No. P0551.766.1

Fiscal Agent the Fiscal Agent has two specific purposes.

The specific local government that is selected by the local governments or government participating in the establishment of a specific CSB and identified in the local resolutions passed by each locality in its creation of the CSB. If the participating governments decide to select a different fiscal agent, it must be done through a local resolution passed by each participating local government that created the CSB.

The second purpose of Fiscal Agent is the specific CSB that has been selected by the CSB Region to receive state controlled funds from the Department and manage those funds in a way that has been identified in a memorandum of understanding (MOU) agreed to by each participating CSB in a regionally funded activity. If the CSB acting as Fiscal Agent changes by decision of the Regional CSB, then that change must be noted in a revision to the existing MOU.

Memorandum of Understanding (MOU) or Memorandum of Agreement (MOA) is an agreed upon process for the management of services, funds, or any rules or regulations that govern the processes all participating parties agree to follow for the common good of the participating parties. In the case of the Community Services Performance Contract, or any activities funded through the Community Service Performance Contract, the MOU is agreed upon and signed for the delivery of services identified and funded through the Region the participating community services boards or behavioral health authority provide services in.

Populations Served adults with serious mental illnesses, children with or at risk of serious emotional disturbance, individuals with developmental disabilities, or individuals with substance use disorders to the greatest extent possible within the resources available to it for this purpose.

Restricted Funds are funds identified separately in letters of notification, performance contracts, Exhibits D and Community Automated Reporting System (CARS) reports to be used for specified purposes; CSB must account for and report expenditures associated with these funds to the Department. This requirement is reflected in the CARS report forms with columns for expenditures and balances that are completed for any restricted funds received by a CSB. The uses of restricted funds usually are controlled and specified by a funding source, such as federal mental health and substance abuse block grants or the Appropriations Act passed by the General Assembly. The Department restricts funds that would otherwise be. An example is Other Funds, which are restricted in order to calculate balances of unexpended funds.

State Fiscal Year the State Fiscal Year (FY) begins July 1 of the calendar year and ends June 30 of the subsequent calendar year.

State General Funds these are funds that are appropriated by the Virginia General Assembly and are identified in each current Appropriation Act. The act is not considered law until it is signed by the Governor of Virginia.

Unrestricted Funds are funds identified separately in letters of notification, performance contracts, and CARS reports but without specified purposes; CSB do not have to account for or report expenditures associated with them separately to the Department.

3. Relationship

The Department functions as the state authority for the public mental health, developmental, and substance use disorder services system, and the CSB functions as the local authority for that system. The relationship between and the roles and responsibilities of the Department, the state hospitals and the CSB are described in

AMENDMENT 1
Harrisonburg-Rockingham Community Services Board

Contract No. P0551.766.1

the Partnership Agreement between the parties. This contract shall not be construed to establish any employer-employee or principal-agent relationship between employees of the CSB or its board of directors and the Department.

4. Term and Termination

Term: This contract shall be in effect for a term of two years, commencing on July 1, 2021 and ending on June 30, 2023 unless either party gives ninety 90 days or more advance written notice of intent not to renew.

Termination: The Department may terminate all or a portion of this contract immediately at any time during the contract period if funds for this activity are withdrawn or not appropriated by the General Assembly or are not provided by the federal government. In this situation, the obligations of the Department and the CSB under this contract shall cease immediately. The CSB and Department shall make all reasonable efforts to ameliorate any negative consequences or effects of contract termination on individuals receiving services and CSB staff.

The CSB may terminate all or a portion of this contract immediately at any time during the contract period if funds for this activity are withdrawn or not appropriated by its local government(s) or other funding sources. In this situation, the obligations of the CSB and the Department under this contract shall cease immediately. The CSB and Department shall make all reasonable efforts to ameliorate any negative consequences or effects of contract termination on individuals receiving services and CSB staff.

5. Contract Amendment

This contract, including all exhibits and incorporated documents, constitutes the entire agreement between the Department and the CSB and may be amended only by mutual agreement of the parties, in writing and signed by the parties hereto, except for the services identified in Exhibit A, amendments to services under Exhibit A shall be in accordance with the performance contract revision instructions contained in Exhibit E.

6. Services

Exhibit A of this contract includes all mental health, developmental, and substance use disorder services provided or contracted by the CSB that are supported by the resources described in this contract. Services and certain terms used in this contract are defined in the current Core Services Taxonomy.

7. Service Change Management

The CSB shall notify the Department 30 days prior to seeking to provide a new category or subcategory or stops providing an existing category or subcategory of services if the service is funded with more than 30 percent of state or federal funds or both. The CSB shall provide sufficient information to the Office of Management Services (OMS) through the performancecontractsupport@dbhds.virginia.gov for its review and approval of the change, and the CSB shall receive the Department's approval before implementing the new service or stopping the existing service.

Pursuant to 12VAC35-105-60 of the *Rules and Regulations for Licensing Providers by the Department of Behavioral Health and Developmental Services*, the CSB shall not modify a licensed service without submitting a modification notice to the Office of Licensing in the Department at least 45 days in advance of the proposed modification.

The CSB operating a residential crisis stabilization unit (RCSU) shall not increase or decrease the licensed number of beds in the RCSU or close it temporarily or permanently without providing 30 days advance notice to the Office of Licensing and the OMS, and receiving the Department's approval prior to implementing the change.

8. Funding Requirements

AMENDMENT 1
Harrisonburg-Rockingham Community Services Board
FY 2022 AND FY 2023 COMMUNITY SERVICES PERFORMANCE CONTRACT
Contract No. P0551.766.1

A. Funding Resources

Exhibit A of this contract provides an example of the following resources: state funds and federal funds appropriated by the General Assembly and allocated by the Department to the CSB and any other funds associated with or generated by the services shown in Exhibit A. CSB must review their CARS application for the most recent version of Exhibit A.

B. Funding Allocations

1. The Department shall inform the CSB of its state and federal fund allocations in the letter of notification (LON). Allocations of state and federal funds shall be based on state and federal statutory and regulatory requirements, provisions of the Appropriation Act, State Board policies, and previous allocation amounts.
2. The Department may reduce restricted or state or federal funds during the contract term if the CSB reduces significantly or stops providing services supported by those funds as documented in CCS Extract or CARS reports. These reductions shall not be subject to provisions in Section 14.A. and B. of this contract. The Commissioner or designee shall communicate all adjustments to the CSB in writing.
3. Continued disbursement and /or reimbursement of restricted or state or federal funds by the Department to the CSB may be contingent on documentation in the CSB's CCS Extract and CARS reports that it is providing the services supported by these funds.

C. Expenses for Services

The CSB shall provide those services funded within the funds and for the costs set forth in Exhibit A and documented in the CSB's financial management system. The CSB shall distribute its administrative and management expenses across the program areas (mental health, developmental, and substance use disorder services), emergency services, and ancillary services on a basis that is auditable and satisfies Generally Accepted Accounting Principles. CSB administrative and management expenses shall be reasonable and subject to review by the Department.

D. Use of Funds

1. The Department has the authority to impose additional conditions or requirements for use of funds, separate from those established requirements or conditions attached to appropriations of state-controlled funds by the General Assembly, the Governor, or federal granting authorities. The Department shall when possible provide sufficient notice in writing to the CSB of changes to the use of funds.
2. The CSB shall maximize billing and collecting Medicaid payments and other fees in all covered services to enable more efficient and effective use of the state and federal funds allocated to it.

E. Availability of Funds

The Department and the CSB shall be bound by the provisions of this contract only to the extent of the funds available or that may hereafter become available for the purposes of the contract.

F. Local Match

Pursuant to § 37.2-509 of the Code allocations from the Department to any community services board for operating expenses, including salaries and other costs, or the construction of facilities shall not exceed 90 percent of the total amount of state and local matching funds provided for these expenses or such construction, unless a waiver is granted by the Department and pursuant State Board Policy 4010.

State Board Policy 6005 and based on the Appropriation Act prohibition against using state funds to supplant funds provided by local governments for existing services, there should be no reduction of local matching funds as a result of a CSB's retention of any balances of unspent state funds.

AMENDMENT 1
Harrisonburg-Rockingham Community Services Board
FY 2022 AND FY 2023 COMMUNITY SERVICES PERFORMANCE CONTRACT
Contract No. P0551.766.1

G. Local Contact for Disbursement of Funds

1. If the CSB is an operating CSB and has been authorized by the governing body of each city or county that established it to receive state and federal funds directly from the Department and act as its own fiscal agent pursuant to Subsection A.18 of § 37.2-504 of the Code, must send notification to include:
 - a. Name of the Fiscal Agent's City Manager or County Administrator or Executive

Eric.Billings@dbhds.virginia.gov

H. Unanticipated Changes in the Use of Funds Due to a Disaster

The Department reserves the right to re-purpose the currently allocated funds to a CSB. This action will not be done without clear deliberations between the Department and the CSB. The decision can rest on the requirements outlined in an Executive Order Issued by the Governor, changes to the ability of the Department or the CSB to provide contracted services to the preservation of health and safety of individuals receiving services or the health and safety of staff providing services, or to decisions made by local government forbidding the provision of services, the funding allocations, the specific services intended to be funded, and the types and numbers of individuals projected to be served.

9. Billing and Payment Terms and Conditions

A. Federal Funds Invoicing

The CSB shall invoice the Department on a monthly basis no later than the 20th of the following month for which reimbursement is being requested. The CSB will utilize the federal funds reimbursement template provided to them by the Office of Fiscal Services and Grants Management (FSGMO) to invoice the Department for federal funds reimbursement. The CSB may be asked to include supporting documentation when the Department determines it is necessary to meet federal grant requirements.

1. The CSB understands and agrees to all of the following:
 - a. CSB shall only be reimbursed for actual, reasonable, and necessary costs based on its award amounts.
 - b. An invoice under this agreement shall include only reimbursement requests for actual, reasonable, and necessary expenditures.

B. Payment Terms

1. Federal Funds shall be dispersed on a reimbursement basis with the exception of an initial upfront one-time payment and circumstances where funded programs incur one-time start-up costs. - a. The CSB shall comply with applicable federal grant reconciliation and closeout disclosures as provided in Exhibit F of the performance contract and established by the FSGMO.
- b. Unexpended federal funds must either be returned in the form of a check made payable to the Treasurer of Virginia and sent to:

The written notice must describe the condition, nature, and details of the dispute and the relief sought by the party.
2. The OMS Director shall review the written notice and determine if the dispute falls within the conditions listed in Section 15. Multiple appeal notices shall be handled independently and sequentially so that an initial appeal will not be delayed by a second appeal.
 11. The CSB or the Department may seek judicial review of the final decision to terminate the contract in the Circuit Court for the City of Richmond within 30 days of receipt of the final decision.

C. Remediation Process

The Department and the CSB shall use the remediation process mentioned in subsection E of § 37.2-508 or § 37.2-608 of the Code to address a particular situation or condition identified by the Department or the CSB that may, if unresolved, result in termination of all or a portion of the contract in accordance with the provisions of this section. The parties shall develop the details of this remediation process and add them as an Exhibit D of this contract. This exhibit shall:

1. Describe the situation or condition, such as a pattern of failing to achieve a satisfactory level of performance on a significant number of major outcome or performance measures in the contract, that if unresolved could result in termination of all or a portion of the contract;
2. Require implementation of a plan of correction with specific actions and timeframes approved by the Department to address the situation or condition; and
3. Include the performance measures that will document a satisfactory resolution of the situation or condition.
4. If the CSB does not implement the plan of correction successfully within the approved timeframes, the Department, as a condition of continuing to fund the CSB, may request changes in the management and operation of the CSB's services linked to those actions and measures in order to obtain acceptable performance. These changes may include realignment or re-distribution of state-controlled resources or restructuring the staffing or operations of those services. The Department shall review and approve any changes before their implementation. Any changes shall include mechanisms to monitor and evaluate their execution and effectiveness.
