However, a phone line will be live where residents will be allowed to call in and speak with City Council during the Public Hearings and the Public Comments portion of the night's meeting. We ask those that wish to speak during the comment period of a Public Hearing call in a few minutes prior to the end of that particular agenda item. We ask those that wish to speak during the Public Comment period wait to call in until Council has reached that portion of the agenda. This will avoid anyone calling on any other item from holding up the queue and then being asked to call back at a later time.

The telephone number to call in is: (540) 437-2687
