Why do you wish to serve on a board or commission?
Service on these boards from caring community members is what keeps the city moving forward. I have a passion for recreation in Harrisonburg and would be humbled by the opportunity to contribute in ways that are meaningful for the team.

What relevant experience or education do you have to this board or commission?
I co-founded VA Momentum and we have a high focus on getting folks from all skill levels and backgrounds active in the community. We've made it our mission to energize the community for good through running events. I also studied Public Administration at JMU.

What other interests or concerns do you have regarding the community?

I would like to balance out the exposure of biking with other activities to showcase all that this area has to offer, including the parks.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:
