

City of Harrisonburg Special Event Application

Use this application to submit events that you would like to plan in the City of Harrisonburg on public property. Events can include concerts, festivals, benefits, run/walks, and more in the downtown area, Turner Pavilion, and city neighborhoods. City supports may include waste management, traffic management, safety, and road closures. For the City to approve a road or parking lot closure, the following must be considered: resident/business impact, detour routes, signage and notification, use of barricades and directional signage, and traffic control and safety. **Please note that there may be a cost to your organization for these services.**
