

ORDINANCE AMENDING AND RE-ENACTING SECTION
10-3-~~199~~200
OF THE
CODE OF ORDINANCES
CITY OF HARRISONBURG, VIRGINIA

**Be it ordained by the Council of the City of
Harrisonburg, Virginia:**

**Section 10-3-200. Reporting of wireless telecommunications facilities.
(Add as shown:)**

For each wireless telecommunications facility, except wireless telecommunications facilities deemed to be an eligible facility in existence prior to the original enactment of this article, the property owner on which a facility is located shall be responsible for ensuring a report is submitted to the zoning administrator once a year, no later than June 30, stating, at minimum, the following:

- (1) Name, address, telephone numbers, and email addresses of the property owner and, if applicable, the owner of the support structure.
- (2) The support structure's (including alternative support structures) location (latitude and longitude), street address, height; and structure type.
- (3) The current user status of the facility including the name and contact information of each active tenant/wireless service provider leasing space from the site. If vacant/collocation space is available, the report shall indicate such information and explain the facility's available accommodations.
- (4) An explanation or listing of each tenant's/wireless service provider's equipment identifying at least the type and number of all antennae, equipment cabinets, and any other supporting equipment. The location of such equipment shall also be described or illustrated.

The remainder of Section 10-3-199 is reaffirmed and reenacted in its entirety, except as hereby modified.

This ordinance shall be effective from the 22 day of May, 2018. Adopted and approved this 22 day of May, 2018.
