Lt. Campbell,

Hope all is going well at JMU! When you have a second, could you please send me email confirmation we're good to move forward with the JMU portion of the NYE Glow Run course again this year? We're finalizing plans with the city for the off campus street closures.

Thanks,

Kevin

Lt. Campbell:

Thanks to you and your team for the support at the NYE Glow Run 5K. Everything seemed smooth on our end, but please let me know if you have any feedback. We're hoping to continue the event moving forward. Thanks again...really appreciate it.

Kevin
