

RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF GENERAL OBLIGATION PUBLIC IMPROVEMENT AND REFUNDING BONDS, SERIES 2021A AND GENERAL OBLIGATION PUBLIC IMPROVEMENT AND REFUNDING BONDS, SERIES 2021B (FEDERALLY TAXABLE), OF THE CITY OF HARRISONBURG, VIRGINIA, AND PROVIDING FOR THE FORMS, DETAILS AND PAYMENT THEREOF

The City of Harrisonburg, Virginia (the “City”) wishes to finance all or a portion of the costs of (i) the acquisition, design, construction and equipping of a new high school and related infrastructure and road improvements, including, without limitation, the costs of acquiring necessary right-of-way and other related costs, and (ii) the acquisition construction, improvement and equipping of a water line project for the City’s water utility system, including, without limitation, the costs of acquiring necessary right-of-way and other related costs (collectively, the “Projects”).

The City desires to provide such funding through the issuance of the City’s general obligation public improvement bonds, which bonds would also pay costs of issuance. In addition, the City has determined that it could lower its debt service costs by issuing general obligation public improvement and refunding bonds to refund all or a portion of its \$9,515,000 General Obligation Public Improvement Bonds, Series 2010A; \$33,755,000 General Obligation Public Improvement Refunding Bonds, Series 2010B; \$28,590,000 General Obligation Public Improvement and Refunding Bonds, Series 2011; \$8,050,000 General Obligation Bond, Series 2012, as modified by an allonge dated October 16, 2020; \$7,622,000 General Obligation Bond, Series 2015; \$7,000,000 General Obligation Bond, Series 2017B, as modified by an allonge dated October 16, 2020; \$10,415,000 General Obligation Public Improvement Bond, Series 2020A; and \$3,085,000 General Obligation Public Improvement Bond, Series 2020B (Federally Taxable) (collectively, the “Prior Bonds”). The proceeds of the general obligation public improvement and refunding bonds would be used to refund all or a portion of the Prior Bonds (the Prior Bonds actually refunded are referred to in this Resolution as the “Refunded Prior Bonds”) and pay costs of issuance.

The City is a political subdivision of the Commonwealth of Virginia, and pursuant to the Public Finance Act of 1991, Chapter 26, Title 15.2, Code of Virginia of 1950, as amended (the “Act”), the City Council of the City of Harrisonburg, Virginia (the “Council”) is authorized to contract debts on behalf of the City and to issue, as evidence thereof, bonds, notes or other obligations payable from pledges of the full faith and credit of the City.

The Council previously held a public hearing, duly noticed, on January 28, 2020 with respect to the issuance of the general obligation public improvement bonds to finance the Projects in a principal amount not to exceed \$141,000,000 (the “Public Hearing”). The Council thereafter adopted a resolution on February 11, 2020 entitled “RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF GENERAL OBLIGATION PUBLIC IMPROVEMENT AND REFUNDING BONDS, SERIES 2020A AND GENERAL OBLIGATION PUBLIC IMPROVEMENT AND REFUNDING BONDS, SERIES 2020B (FEDERALLY TAXABLE), OF THE CITY OF HARRISONBURG, VIRGINIA, AND PROVIDING FOR THE FORMS, DETAILS AND PAYMENT THEREOF,” authorizing the issuance of general obligation public

improvement bonds to finance a portion of the costs of the Projects in a principal amount not to exceed \$141,000,000, pursuant to which the City issued general obligation public improvement bonds in the aggregate principal amount of \$13,500,000. The City therefore under the Public Hearing may issue general obligation public improvement bonds to finance the costs of the Projects in a remaining principal amount not to exceed \$127,500,000.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HARRISONBURG, VIRGINIA:

Section 1. Authorization, Issuance and Sale. The Council hereby determines that it is advisable to contract a debt and issue and sell its general obligation bonds for the purpose of (i) financing the Projects, (ii) refunding the Refunded Prior Bonds, including the payment of any redemption premium thereon, and (iii) financing the costs of issuing the Bonds (as hereinafter defined). There is hereby authorized to be issued and sold, pursuant to the Constitution and statutes of the Commonwealth of Virginia, including the Act, general obligation bonds of the City upon the terms set forth herein. The Council hereby elects to issue such bonds under the provisions of the Act without regard to the City Charter. Accordingly, the Council may adopt this Resolution at the meeting at which it is introduced.

Section 2. Bond Details. The Bonds being issued to finance certain costs of the Projects and refund certain of the Refunded Prior Bonds, the interest of which may be excludable from the gross income of the holders thereof for federal income tax purposes, shall be designated as “General Obligation Public Improvement and Refunding Bonds, Series 2021A” (the “2021A Bonds”) and the Bonds being issued to finance certain costs of the Projects and refund certain of the Refunded Prior Bonds, the interest of which will be includable in the gross income of the holders thereof for federal income tax purposes, shall be designated as “General Obligation Public Improvement and Refunding Bonds, Series 2021B (Federally Taxable)” (the “2021B Bonds,” and together with the 2021A Bonds, the “Bonds”). The proceeds of the 2021A Bonds will be used to finance certain costs of the Projects and refund certain Refunded Prior Bonds eligible for tax-exempt financing as well as pay costs of issuance relating to the 2021A Bonds and the proceeds of the 2021B Bonds will be used to finance certain costs of the Projects and refund certain Refunded Prior Bonds on a taxable basis as well as pay costs of issuance relating to the 2021B Bonds. The Bonds shall be dated the date of their execution and delivery, shall be in registered form and shall be in denominations of \$5,000 and multiples thereof. The 2021A Bonds shall be numbered consecutively commencing with RA-1, and the 2021B Bonds shall be numbered consecutively commencing with RB-1. Subject to Section 4 and Section 9, the Bonds shall mature in installments, or have mandatory sinking fund installments, on each July 15 beginning no earlier than the year 2022 and ending no later than the year 2051. Subject to Section 9, interest on the Bonds shall be payable semiannually on each January 15 and July 15 and at maturity beginning no earlier than January 15, 2022. The Council authorizes the issuance and sale of the Bonds on terms as shall be satisfactory to the City Manager; *provided*, that the Bonds (a) shall have a true or “Canadian” interest cost not to exceed five percent (5.00%) per year, taking into account any original issue discount or premium; (b) shall be sold at a price not less than 97% of the original aggregate principal amount thereof; (c) shall have a weighted average maturity of no more than twenty-five (25) years; (d) shall be issued in an aggregate amount not to exceed \$190,000,000, consisting of a principal amount not to exceed

\$127,500,000 for financing of the Projects and \$62,500,000 for the refunding of the Refunded Prior Bonds; (e) shall be subject to optional redemption; and in the event that the Bonds are sold by competitive or negotiated public sale, so long as the period during which the Bonds may not be optionally redeemed shall not extend beyond July 15, 2031, with a redemption premium no greater than two percent (2.00%) of the principal amount of the Bonds to be optionally redeemed; and (f) shall be issued with such designations, including series designations, as desired for the marketing and sale thereof. The Bonds may be issued with bond insurance as security for the principal and interest payments thereon. In addition, the City Director of Finance with the advice of the Financial Advisor, as defined below, shall determine which Prior Bonds shall be refunded by the Bonds. The Bonds may be issued in one or more series or sub-series from time-to-time and with different terms as long as such terms are within the parameters noted above.

Principal and premium, if any, shall be payable to the registered owners upon surrender of the Bonds as they become due at the designated corporate trust office of the Registrar, as defined below. Interest shall be payable by check or by wire to the registered owners at their addresses as they appear on the registration books kept by the Registrar as of the close of business on the first day of the month during which each interest payment date occurs. In case the date of maturity or redemption of the principal of any Bond or an interest payment date shall be a date on which banking institutions are authorized or obligated by law to close at the place where the designated corporate trust office of the Registrar is located, then payment of principal and interest need not be made on such date, but may be made on the next succeeding date which is not such a date at the place where the designated corporate trust office of the Registrar is located, and if made on such next succeeding date no additional interest shall accrue for the period after such date of maturity or redemption or interest payment date. Principal, premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America.

Interest on the Bonds shall be calculated on the basis of a 360-day year with twelve 30-day months. Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless such Bond is (a) authenticated before its first interest payment date, in which case it will bear interest from its dated date, or (b) authenticated upon an interest payment date or after the record date with respect thereto, in which case it will bear interest from such interest payment date (unless payment of interest thereon is in default, in which case interest on such Bond shall be payable from the date to which interest has been paid).

Section 3. Book-Entry System. Initially, in the event that the Bonds are sold by competitive or negotiated public sale, one Bond certificate for each maturity of each series of the Bonds shall be issued to and registered in the name of The Depository Trust Company, New York, New York (“DTC”), or its nominee. The City has entered into a Blanket Issuer Letter of Representations (the “Letter of Representations”) relating to a book-entry system to be maintained by DTC with respect to certain securities issued by the City, including the Bonds. As used herein, the term “Securities Depository” shall mean DTC or any other securities depository for the Bonds appointed pursuant to this Section 3.

In the event that (a) the Securities Depository determines not to continue to act as the securities depository for the Bonds by giving notice to the Registrar and the City, or (b) the City in

its sole discretion determines (i) to select a new Securities Depository or (ii) that beneficial owners of Bonds shall be able to obtain certificated Bonds, then the City Manager shall, at the direction of the City, attempt to locate another qualified securities depository to serve as Securities Depository or arrange for the authentication and delivery of certificated Bonds to the beneficial owners or to the Securities Depository's participants on behalf of beneficial owners, substantially in the forms provided for in Exhibit A and Exhibit B. In delivering certificated Bonds, the City Manager shall be entitled to rely on the records of the Securities Depository as to the beneficial owners or the records of the Securities Depository's participants acting on behalf of beneficial owners. Such certificated Bonds will then be registrable, transferable and exchangeable as set forth in Section 8.

So long as there is a Securities Depository for the Bonds (1) it or its nominee shall be the registered owner of the Bonds, (2) notwithstanding anything to the contrary in this Resolution, determinations of persons entitled to payment of principal, premium, if any, and interest, transfers of ownership and exchanges, and receipt of notices shall be the responsibility of the Securities Depository and shall be effected pursuant to rules and procedures established by such Securities Depository, (3) the Registrar and the City shall not be responsible or liable for maintaining, supervising, or reviewing the records maintained by the Securities Depository, its participants or persons acting through such participants, (4) references in this Resolution to registered owners of the Bonds shall mean such Securities Depository or its nominee and shall not mean the beneficial owners of the Bonds, and (5) in the event of any inconsistency between the provisions of this Resolution and the provisions of the Letter of Representations, such provisions of the Letter of Representations, except to the extent set forth in this paragraph and the immediately preceding paragraph, shall control.

Section 4. Redemption Provisions.

(a) Optional Redemption. Subject to the provisions of Section 2 and 9, the Bonds may be subject to optional redemption prior to their respective stated dates of maturity as determined by the City Manager.

(b) Mandatory Sinking Fund Redemption. In the event that the Bonds are sold by competitive or negotiated public sale and subject to the provisions of Section 2, any term bonds may be subject to mandatory sinking fund redemption as determined by the City Manager. If there are any term bonds, on or before the 70th day next preceding any mandatory sinking fund redemption date, the City may apply as a credit against the City's mandatory sinking fund redemption obligation for any Bonds (of the same series, if more than one) maturing on such date, Bonds that previously have been optionally redeemed or purchased and canceled or surrendered for cancellation by the City and not previously applied as a credit against any mandatory sinking fund redemption obligation for such Bonds. Each such Bond so purchased, delivered or previously redeemed shall be credited at 100% of the principal amount thereof against the principal amount of the Bonds (of the same series, if more than one) required to be redeemed on such mandatory sinking fund redemption date. Any principal amount of Bonds so purchased, delivered or previously redeemed in excess of the principal amount required to be redeemed on such mandatory sinking fund redemption date shall similarly reduce the principal amount of the Bonds (of the same series, if more than one) to be redeemed on future mandatory sinking fund redemption dates, as selected by the City Manager.

(c) Bonds Selected for Redemption. If less than all of the Bonds are called for optional redemption, the maturities (and series, if more than one) of the Bonds to be redeemed shall be selected by the City Manager in such manner as he may determine to be in the best interest of the City. If less than all the Bonds of any maturity (or series, if more than one) are called for redemption, any Bonds sold by competitive or negotiated public sale to be redeemed shall be selected by DTC or any successor Securities Depository pursuant to its rules and procedures or, if the book-entry system is discontinued, shall be selected by the Registrar by lot in such manner as the Registrar in its discretion may determine. In either case, (a) the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some integral multiple thereof, and (b) in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by \$5,000. If a portion of a Bond is called for redemption, a new Bond in principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

(d) Notice of Redemption. In the event that the Bonds are sold by competitive or negotiated public sale, the City shall cause notice of the call for redemption identifying the Bonds or portions thereof to be redeemed to be sent by electronic or facsimile transmission, registered or certified mail, or overnight express delivery, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, to DTC or its nominee as the registered owner of the Bonds or, if the book-entry system is discontinued, by registered or certified mail to the registered owners of the Bonds to be redeemed. Any notice of optional redemption of the Bonds may state that it is conditioned upon there being available an amount of money sufficient to pay the redemption price, and any conditional notice so given may be rescinded at any time before the payment of the redemption price if any such condition so specified is not satisfied. If a redemption does not occur after a conditional notice is given due to an insufficient amount of funds on deposit by the City, the corresponding notice of redemption shall be deemed to be revoked.

Section 5. Execution and Authentication. The Bonds shall be signed by the manual or facsimile signature of the Mayor or Vice Mayor of the City and the City's seal shall be affixed thereto or a facsimile thereof printed thereon and attested to by the manual or facsimile signature of the Clerk or Deputy Clerk of the City; *provided*, that no Bond shall be valid until it has been authenticated by the manual signature of an authorized representative of the Registrar and the date of authentication noted thereon. In case any officer whose signature or a facsimile of whose signature shall appear on any Bond shall cease to be such officer before the delivery of a Bond, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes as if such officer had remained in office until such delivery. Any Bond may bear the facsimile signature of or may be signed by such persons as at the actual time of the execution thereof shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

Section 6. Bond Forms. The 2021A Bonds shall be in substantially the form set forth in Exhibit A attached hereto with appropriate variations for separate series or sub-series designations desired and authorized by Section 2 hereof, and the 2021B Bonds shall be in substantially the form set forth in Exhibit B attached hereto with appropriate variations for separate series or sub-series designations desired and authorized by Section 2 hereof.

Section 7. Pledge of Full Faith and Credit. The full faith and credit of the City are irrevocably pledged for the payment of principal of, premium, if any, and interest on the Bonds. Unless other funds are lawfully available and appropriated for timely payment of the Bonds, the City shall levy and collect an annual *ad valorem* tax, over and above all other taxes authorized or limited by law and without limitation as to rate or amount, on all locally taxable property in the City sufficient to pay the principal of, premium, if any, and interest on the Bonds, as the same become due.

Section 8. Registration, Transfer and Owners of Bonds. In the event that the Bonds are sold by competitive or negotiated public sale, the Council hereby selects U.S. Bank National Association as the paying agent and registrar for the Bonds (the “Registrar”). The Registrar shall maintain registration books for the registration of the Bonds. Upon surrender of any Bonds at the designated corporate trust office of the Registrar, together with an assignment duly executed by the registered owner or his duly authorized attorney or legal representative in such form as shall be satisfactory to the Registrar, the City shall execute, and the Registrar shall authenticate and deliver in exchange, a new Bond or Bonds having an equal aggregate principal amount, in authorized denominations, of the same form, series (if more than one) and maturity, bearing interest at the same rate, and registered in names as requested by the then registered owner or his duly authorized attorney or legal representative. Any such exchange shall be at the expense of the City, except that the Registrar may charge the person requesting such exchange the amount of any tax or other governmental charge required to be paid with respect thereto. New Bonds delivered upon any transfer or exchange shall be valid obligations of the City, evidencing the same debt as the Bonds surrendered, shall be secured by this Resolution and entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered. In the event that all or a portion of the Bonds are sold by direct bank loan with one or more financial institutions, such Bonds shall be issued to and registered in the name of such institution(s) at the request of such institution(s).

The Registrar shall treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that interest payments shall be made to the person shown as owner on the registration books on the first day of the month during which each interest payment date occurs.

In the event that the Bonds are sold by direct bank loan with one or more financial institutions, the City Treasurer is hereby appointed to serve as paying agent and registrar for the Bonds.

Section 9. Sale of Bonds. The Council approves the following terms of the sale of the Bonds. The Bonds may be sold by competitive bid, by negotiated sale or by direct bank loan with one or more financial institutions, or as a combination of the foregoing, all as the City Manager, in collaboration with Davenport & Company, LLC, the City’s financial advisor (the “Financial Advisor”), determines to be in the best interests of the City. The Council further authorizes the City Manager, in collaboration with the Financial Advisor, to (a) determine the principal amount of the Bonds, subject to the limitations set forth in Section 2, (b) determine the maturity schedule of the Bonds, subject to the weighted average maturity limitations set forth in Section 2, (c) establish the redemption provisions for the Bonds, subject to the limitations set forth in Section 2 and Section 4,

and (d) determine whether any or all of the Prior Bonds shall be refunded by either the 2021A Bonds or the 2021B Bonds, subject to the limitations set forth in Section 2. Prior to the sale of the Bonds, the City Manager, in collaboration with the Financial Advisor, may change the dated date of the Bonds and the payment dates provided therein (so long as the interest payment dates for any series are semiannual) to facilitate the sale and delivery of the Bonds. The City Manager shall determine the amount and form of any good faith deposit and the other terms upon which bids must be made. The actions of the City Manager in selling the Bonds shall be conclusive, and no further action with respect to the sale and issuance of the Bonds shall be necessary on the part of the Council.

If the City Manager determines to sell all or a portion of the Bonds by competitive bid, the City Manager, in collaboration with the Financial Advisor, shall receive bids for such Bonds and award such Bonds to the bidder providing the lowest true or “Canadian” interest cost, subject to the limitations set forth in Section 2. Following a competitive sale of any such Bonds, the City Manager shall file a certificate setting forth the final terms of such Bonds with the City’s permanent records. The Council also authorizes the 2021A Bonds and 2021B Bonds to be bid separately if the City Manager, in collaboration with the Financial Advisor, determines separate bidding to be in the City’s best interests. The actions of the City Manager in selling all or a portion of the Bonds by competitive sale shall be conclusive, and no further action with respect to the sale and issuance of such Bonds shall be necessary on the part of the Council.

If the City Manager determines to sell all or a portion of the Bonds by negotiated sale, the City Manager is authorized, in collaboration with the Financial Advisor, to choose any investment bank or firm to serve as underwriter for such Bonds and to execute and deliver to each such underwriter a bond purchase agreement (the “Bond Purchase Agreement”) in a form approved by the City Manager to reflect the final terms of such Bonds. The execution thereof by the City Manager shall constitute conclusive evidence of his approval of the final form of the Bond Purchase Agreement. Following a negotiated sale of any such Bonds, the City Manager shall file a copy of the Bond Purchase Agreement with the City’s permanent records. The actions of the City Manager in selling all or a portion of the Bonds by negotiated sale to any underwriter shall be conclusive, and no further action with respect to the sale and issuance of such Bonds shall be necessary on the part of the Council.

If the City Manager determines to sell all or a portion of the Bonds through a direct bank loan with one or more financial institutions, the City Manager is authorized to execute and deliver a bond purchase and loan agreement or similar instrument (the “Bond Purchase and Loan Agreement”) in a form approved by the City Manager to reflect the final terms of such Bonds. The execution thereof by the City Manager shall constitute conclusive evidence of his approval of the final form of the Bond Purchase and Loan Agreement. Following a direct bank loan with one or more financial institutions of any such Bonds, the City Manager shall file either a copy of the Bond Purchase and Loan Agreement or a certificate setting forth the final terms of such Bonds with the City’s permanent records. The actions of the City Manager in selling all or a portion of the Bonds by direct bank loan with one or more financial institutions shall be conclusive, and no further action with respect to the sale and issuance of such Bonds shall be necessary on the part of the Council.

Section 10. Notices of Sale; RFP for Direct Bank Loan. If all or a portion of the Bonds are sold by competitive sale, the City Manager, in collaboration with the Financial Advisor, is authorized and directed to take all proper steps to advertise such Bonds for sale substantially in accordance with one or more Notices of Sale in forms approved by the City Manager. The distribution of the Notices of Sale shall constitute conclusive evidence of the approval of the City Manager of any such changes.

If all or a portion of the Bonds are sold by direct bank loan with one or more financial institutions, the City Manager, in collaboration with the City's Financial Advisor, is authorized and directed to take all proper steps to solicit proposals from qualified financial institutions for the purchase of such Bonds through a request for proposals or other process to be instituted by the City's Financial Advisor on behalf of the City.

Section 11. Official Statement. The form of the Preliminary Official Statement of the City, to be dated the date of its mailing (the "Preliminary Official Statement"), has been made available to the Council prior to the adoption of this Resolution. The use and distribution of the Preliminary Official Statement, in substantially the form made available to the Council, are hereby authorized and approved. The Preliminary Official Statement may be completed and "deemed final" by the City Manager as of its date, within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), except for the omission from the Preliminary Official Statement of such pricing and other information permitted to be omitted pursuant to the Rule. The delivery of the Preliminary Official Statement to the Financial Advisor shall be conclusive evidence that it has been deemed final as of its date by the City Manager, except for the omission of such pricing and other information.

The City Manager shall make such compilations, omissions, insertions, and changes in the Preliminary Official Statement not inconsistent with this Resolution as are necessary or desirable to complete it as a final Official Statement (the "Official Statement"). The City Manager shall arrange for the delivery to the successful bidder of a reasonable number of copies of the Official Statement, within seven (7) business days after the Bonds have been sold, for delivery to each potential investor requesting a copy of the Official Statement and to each person to whom the successful bidder initially sells Bonds.

The Mayor, the Vice Mayor and the City Manager, any of whom may act, are each hereby authorized, on behalf of the City, to deem the Official Statement to be final as of its date within the meaning of the Rule. The Mayor, the Vice Mayor and the City Manager, any of whom may act, are each hereby authorized and directed to execute the Official Statement, which execution shall be conclusive evidence that the Official Statement has been deemed final as of its date.

Section 12. Continuing Disclosure. A substantially final form of the Continuing Disclosure Certificate to be provided by the City (the "Continuing Disclosure Certificate"), evidencing conformity with certain provisions of the Rule, has been made available to the Council prior to the adoption of this Resolution. The execution, delivery, use, and distribution of the Continuing Disclosure Certificate, in substantially the form made available to the Council, are hereby authorized and approved. The Mayor, the Vice Mayor and the City Manager, any of

whom may act, are each hereby authorized and directed to execute and deliver the Continuing Disclosure Certificate.

The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered a default under this Resolution or the Bonds; *provided*, that any Holder of the Bonds (as defined in the Continuing Disclosure Certificate, including owners of beneficial interests in the Bonds) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this Section 12 and the Continuing Disclosure Certificate.

Section 13. Preparation and Delivery of Bonds. After the Bonds have been awarded, the Mayor or Vice Mayor and the Clerk or Deputy Clerk of the City are authorized and directed to take all proper steps to have the Bonds prepared, executed and authenticated in accordance with their terms and to deliver the Bonds to the successful bidder thereof upon payment for the Bonds.

Section 14. Selection of Bond Counsel. The Council hereby consents to Kaufman & Canoles, a Professional Corporation, serving as Bond Counsel to the City in connection with the issuance of the Bonds.

Section 15. Refunding of the Refunded Prior Bonds. Subject to the approval and discretion of the City Director of Finance, the Council hereby authorizes the optional redemption of the Refunded Prior Bonds on their respective first call dates (the “Redemption Dates”) at a redemption price equal to 100% of the outstanding principal amount thereof plus accrued interest to the respective Redemption Dates and any applicable redemption premium.

The amount of the Bonds with respect to the refunding of the Refunded Prior Bonds will not exceed the amount necessary to retire the Refunded Prior Bonds and pay the related costs of issuance of the Bonds. There are currently no sinking, escrow or other funds which are available for the payment of principal of, premium, if any, and interest on the Refunded Prior Bonds.

Section 16. Escrow Agreements. The execution and delivery of one or more Escrow Deposit Agreements, dated as of its respective execution and delivery (the “Escrow Agreements”), between the City and U.S. Bank National Association, as escrow agent (the “Escrow Agent”), is hereby approved. The Mayor, the Vice Mayor and the City Manager, any of whom may act, are each hereby authorized and directed to execute and deliver the Escrow Agreements. There is hereby created by the City one or more trust funds to be designated the “City of Harrisonburg, Virginia General Obligation Public Improvement and Refunding Bonds, Series 2021A Escrow Fund” and the “City of Harrisonburg, Virginia General Obligation Public Improvement and Refunding Bonds, Series 2021B Escrow Fund,” as appropriate (the “Escrow Funds”), and held by the Escrow Agent pursuant to the Escrow Agreements. The City shall irrevocably deposit in the Escrow Funds amounts of proceeds received by the City from the sale of the Bonds with respect to the Refunded Prior Bonds which will be sufficient to provide (taking into account investment earnings or not taking them into account in the discretion of the

City) for the payment of the principal of, redemption premium and interest on the Refunded Prior Bonds on the Redemption Dates and for the principal and interest coming due thereon prior to the Redemption Dates. Amounts deposited in the Escrow Funds will be invested as set forth in the Escrow Agreements.

Section 17. Arbitrage Covenants.

(a) No Composite Issue. The City represents that there have not been issued, and covenants that there will not be issued, any obligations that will be treated as part of the same issue of obligations as the 2021A Bonds within the meaning of the Internal Revenue Code of 1986, as amended, including regulations issued pursuant thereto (the “Code”).

(b) No Arbitrage Bonds. The City covenants that it shall not take or omit to take any action the taking or omission of which will cause the 2021A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, or otherwise cause interest on the 2021A Bonds to be includable in the gross income for federal income tax purposes of the registered owners thereof under existing law. Without limiting the generality of the foregoing, the City shall comply with any provision of law which may require the City at any time to rebate to the United States any part of the earnings derived from the investment of the gross proceeds of the 2021A Bonds, unless the City receives an opinion of nationally recognized bond counsel that such compliance is not required to prevent interest on the 2021A Bonds from being includable in the gross income for federal income tax purposes of the registered owners thereof under existing law. The City shall pay any such required rebate from its legally available funds.

Section 18. Non-Arbitrage Certificate and Elections. Such officers of the City as may be requested are authorized and directed to execute an appropriate certificate setting forth the expected use and investment of the proceeds of the 2021A Bonds in order to show that such expected use and investment will not violate the provisions of Section 148 of the Code, and any elections such officers deem desirable regarding rebate of earnings to the United States, for purposes of complying with Section 148 of the Code. Such certificate and elections shall be in such form as may be requested by bond counsel for the City. The City shall comply with any covenants set forth in such certificate regarding the use and investment of the proceeds of the 2021A Bonds.

Section 19. SNAP Investment Authorization. The Council hereby authorizes the City Treasurer and the City Director of Finance to have the option to utilize the State Non-Arbitrage Program of the Commonwealth of Virginia (“SNAP”) in connection with the investment of the proceeds of the 2021A Bonds with respect to the Projects and related costs of issuance. The proceeds may be invested pursuant to other investment agreements so long as the same are permissible for the investment of bond proceeds under Virginia law.

Section 20. Limitation on Private Use; No Federal Guaranty. The City covenants that it shall not permit the proceeds of the 2021A Bonds to be used in any manner that would result in (a) ten percent (10%) or more of such proceeds being used in a trade or business carried on by any person other than a state or local governmental unit, as provided in Section 141(b) of the Code, (b) five percent (5%) or more of such proceeds being used with respect to any output facility

(other than a facility for the furnishing of water), within the meaning of Section 141(b)(4) of the Code, or (c) five percent (5%) or more of such proceeds being used directly or indirectly to make or finance loans to any persons other than a state or local governmental unit, as provided in Section 141(c) of the Code; *provided*, that if the City receives an opinion of nationally recognized bond counsel that any such covenants need not be complied with to prevent the interest on the 2021A Bonds from being includable in the gross income for federal income tax purposes of the registered owners thereof under existing law, the City need not comply with such covenants.

The City represents and agrees that the 2021A Bonds are not and will not be “federally guaranteed,” as such term is used in Section 149(b) of the Code. No portion of the payment of principal of or interest on the 2021A Bonds is or will be guaranteed, directly or indirectly, in whole or in part by the United States or an agency or instrumentality thereof.

Section 21. Discharge Upon Payment of Bonds. The Bonds may be defeased, as permitted by the Act. Any defeasance of the Bonds, as permitted by the Act, shall not release the City or the Registrar from its obligations hereunder to register and transfer Bonds or release the Registrar from its obligations to pay the principal of and interest on the Bonds as contemplated herein until the date all of the Bonds are paid. In addition, such defeasance shall not terminate the obligations of the City under Sections 17 and 20 until the date all of the Bonds are paid.

Section 22. Memorandum of Understanding with Redevelopment and Housing Authority.
