- 7.b. Presentation on the Operation of The Navigation Center

Nate Riddle, Executive Director, Open Doors, presented the following related to the Navigation Center:

- The history and mission of Open Doors;
- Renderings and blueprints of the Navigation Center;
- Information on the Daytime Drop-in Center;
- Low- Barrier Shelter schedule and requirements;

- Partner Organizations that will provide services at the center;
- Open Doors' Commitment;
- The needs from the community;

Council spoke on the staffing required by Open Doors, collaboration with Our Community Place, tracking of who is using the center, resources that will be available at the center, and workforce development. Council thanked Mr. Riddle for all Open Doors has done to coordinate the joint efforts.

Amy Snider, deputy city manager, stated the Navigation Center is facing a new construction challenge, therefore the opening will be delayed, and she will update Council at the November 26, 2024, City Council meeting. She stated temporary site(s) are needed for thermal sheltering and staff has been looking into potential sites, but the City requests that if anyone or any organizations have space that could possibly be used to reach out to her.

Council discussed the construction delay and urged the community to help Open Doors and the city for temporary thermal sheltering.

**This Presentation was received and filed.**

**7.c. Presentation of the Harrisonburg Police Department's Connect and Protect Grant Program**

Todd Miller, interim chief, Harrisonburg Police Department, stated the Connect and Protect Grant was obtained in late 2023 through the Bureau of Justice Assistance. He reviewed why mental health-related incidents were chosen to be the focus of this grant. He reviewed the issues of mental-health related calls and how the Co-Response Program model could help with those related issues. He reviewed the specifics of the Co-Response Program, the grant requirements, the goal and objectives of the program, key components of the program, the evaluation process, and the program measures assessed by independent evaluators from JMU: Dr. Amanda Teye, Dr. Lili Peaslee, who were present for questions.

Vice Mayor Dent stated this grant is only available for three years and asked if we would be able to continue the program afterwards. Chief Miller stated the evaluators will be able to determine if this program has been effective or not, and if so, additional grants may be applied for.

Council Member Fleming asked about the recruitment for mental health professionals for this program. Ande Banks, city manager, stated the recruitment for the mental health professional and a clinician, has already begun.

Council Member Robinson asked if the mental health professionals will be able to create relationships with those individuals affected by mental health issues, so trust is built. Chief Miller stated that the hope is that police officers create those

relationships, and that the community paramedics program is proactive with creating those relationships as well.

Council discussed recruiting in individual neighborhoods and at local universities/colleges and how this program might alleviate the demand for officer's time during these mental health crisis calls require.

Dr. Amanda Teye stated after reviewing the results from the data collected on service calls related to mental health, having a mental health professional on staff could reduce the rates of involuntary commitment by at least one third.

**This Presentation was received and filed.**

**7.d.** Consider adopting a resolution rescinding the Drought Warning and declaring a Drought Watch

Chris Brown, city attorney, stated on August 13, 2024, Council adopted a resolution declaring a drought warning for the city. He stated currently our systems are doing well, in fact the entire region for the most part is doing well. The Department of Environmental Quality has now downgraded the warning to a watch. He stated the resolution presented will rescind the drought warning and declare a drought watch. He stated our website will have information on the voluntary efforts the city is asking its residents to do during a drought watch. Discussion took place about how the city has to follow the DEQ's regulations for the region even if overall region conditions do not necessarily reflect how the city is doing.

**A motion was made by Council Member Jones, seconded by Vice Mayor Dent, to adopt the resolution as presented. The motion carried with a unanimous voice vote.**

**Yes:** 5 - Mayor Reed, Vice-Mayor Dent, Council Member Jones, Council Member Fleming and Council Member Robinson

**No:** 0

## **8. Supplementals**

**8.a.** Consider a supplemental appropriation in the amount of \$1,302,216

Larry Propst, director of Finance, presented a supplemental appropriation in the amount of \$1,302,216 related to shared services with Rockingham County, \$262K for the plumbing repair work at the jail and \$1M for the Children Services Act (CSA).

Ande Banks, city manager, stated the funds for the CSA are very difficult to budget for as caseloads can fluctuate significantly year to year. This supplemental reflects a 20% increase in the city's families and children that are receiving services this year versus last year. He stated there was also state funds from the Qualified

Residential Treatment Program which has been suspended that was used by the CSA for many of the families.

Council Member Fleming stated he would like to have an update from the CSA in order to determine if this is a rising concern for next year's budget as well as perhaps bringing this up to the state legislature for possible additional funding.

**A motion was made by Council Member Robinson, seconded by Council Member Fleming, to approve the supplemental appropriation as presented. The motion carried with a recorded vote as follows:**

**Yes:** 5 - Mayor Reed, Vice-Mayor Dent, Council Member Jones, Council Member Fleming and Council Member Robinson

**8.b. Consider a supplemental appropriation in the amount of \$1,186,239**

Larry Propst, director of Finance, presented a supplemental appropriation in the amount of \$1,186,239 for the Smart Growth Community Connectors Grant and the VDOT State of Good Repair grant for paving.

**A motion was made by Vice Mayor Dent, seconded by Council Member Fleming, to approve the supplemental appropriation as presented. The motion carried with a recorded vote as follows:**

**Yes:** 5 - Mayor Reed, Vice-Mayor Dent, Council Member Jones, Council Member Fleming and Council Member Robinson

**No:** 0

**9. Reallocations**

**9.a. American Rescue Plan Act (ARPA) Unobligated Funds Reallocation**

Luke Morgan, grants and programs analyst, reviewed the American Rescue Plan Act (ARPA) history and obligation deadline. He stated there are remaining ARPA project funds that will need to be obligated in the amount of \$13,144.50 from the Employee Retention Payment, Child Care Program and Small Business Assistance Fund. He stated all three projects have been completed under budget, leaving a balance of unobligated funds to be reallocated. He stated staff is recommending these excess funds be reallocated to the Navigation Center ARPA project which has been partially funded by city funds.

Discussion took place on how the funds were disbursed for the three original projects.

Ande Banks, city manager, stated Mr. Morgan has done a fabulous job for the city, and wishes him the best of luck in his career growth as this will be his last meeting with the city.

A motion was made by Council Member Jones, seconded by Vice Mayor Dent to approve the reallocation as presented. The motion carried with a recorded vote as follows:

**Yes:** 5 - Mayor Reed, Vice-Mayor Dent, Council Member Jones, Council Member Fleming and Council Member Robinson

**No:** 0
