Interests & Experiences

Jessica Conway

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

If it is possible to use my experience as an educator and early childhood professional to benefit our community, I am very interested in doing so.

What other interests or concerns do you have regarding the community?

Harrisonburg is a wonderful place to live and raise kids; I want to make sure that all of our residents have the support they need to thrive.

What relevant experience or education do you have to this board or commission?

I am a professional educator whose career has seen many iterations from high school teacher to community college instructor to early childhood educator, coach and now Grant Coordinator. I have learned a great deal about teaching, learning, policy, and state structure through all of these roles. I consider myself a lifelong learner, and I am interested in using my experience to benefit CSB, and to learning more through working with CSB.

Please list any past or present community involvement e.g. City Council, Boards and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

I have been a Parent Representative for CPMT since 2021 and I volunteer as the PTO Coordinator at my sons' HCPS Elementary.
