Why do you wish to serve on a board or commission?
I was asked if I had interest in serving on the board. I am at a point where I have more time to be involved in community engagement. Mental health is something I believe needs strong community support. I visited the program and would like to offer my strengths to the organization.

What relevant experience or education do you have to this board or commission?
The board is looking to replace a member that had a similar skill set as me. I feel I can bring sound financial over site as a board member.

What other interests or concerns do you have regarding the community?
