RE: Transit Development Plan

Summary:

In the Commonwealth of Virginia, a transit development plan (TDP) is a short-to mid-range plan that outlines the transit improvements that are planned for implementation during a ten-year planning horizon; estimates what resources will be needed; and what funding programs are likely to be available.

The TDP that has been prepared for the Harrisonburg Department of Public Transportation's (HDPT) transit program is for the planning period that includes FY2018 through FY2027.
