Use this application to submit special events planned in the City of Harrisonburg on public property. Special events can include concerts, festivals, benefits, run/walks, and more in the downtown area, public parks, and city neighborhoods.

A "Special Event" is a short-term organized activity, celebration, or other gathering on public property that, whether for profit or not for profit, due to the anticipated number of attendees or the nature of the event characterized by any of the following:

- Requires City services to ensure compliance with Federal, state, or local laws;
- Involves use of City owned or managed property such as public streets, sidewalks, parking lots, alleys, parks or any other City owned/managed open space (excluding standard parks shelter rentals)
- Involves closure or partial closure of any public right-of way, or requires traffic control procedures necessitating the involvement of the City's Police Department & Public Works Department
- Involves the erection of stages, utility poles, booths, tents, stands, or other temporary structures in a public place;
- Impair emergency vehicles access or requires the attendance of EMS/Fire personnel.

City supports may include waste management, traffic management, safety, and road closures. For the City to approve a road or parking lot closure, the following must be considered: resident/business impact, detour routes, signage and notification, use of barricades and directional signage, and traffic control and safety. Please note: there may be a cost to your organization for these services.

## Section 5: Run/ Walk Courses

Street closures for runs/walks on public roads are required to use certain courses within the City limits that have been designed to ensure the safety of the participants and the efficiency of the event for city crews. Small run/walks designed to release clusters of small groups of 25 or fewer people in waves can take place on city sidewalks and typically do not require street closures or police support. These run/walks may be approved at the discretion of City staff. Larger run/walks that intend to take place on city streets, or may flow into city streets, will require street closures and police support.

Applicants who wish to create a course on a college campus that flow into City streets or a local low-traffic neighborhood are allowed to submit a course for review.

The City has preapproved a grandfather clause for specific special event requests that use a different designated course in the city. Those events are: The Rocktown Turkey Trot & the Martin Luther King, Jr. Remembrance Walk. The Martin Luther King, Jr. Remembrance Walk has been approved by City Council to occur on the third Monday of January each year.
