RE: System Radios Replacement

Summary: Radio System User Equipment Replacement Proposal

Background: The radio system user equipment has reached end of service life. Capital Improvement Plans include replacement over fiscal years 2019-2020. An unforeseen issue has arisen with the radio system upgrade that requires the radios to be purchased now so users can transition to the new system

Key Issues: Planned replacement for FY2019 and FY2020 per CIP. Must replace now in order to transition to the new system.

Environmental Impact: None

Fiscal Impact: \$2,600,000 (City share). Total City/County/Others is \$7,250,000
