

Michaels Auto Body/KAR Towing combined Freestanding Sign

The Owners of Michaels Auto Body and KAR Towing respectfully request a variance to allow them to erect (1) 96 Square Foot Freestanding Sign with both of their business names as well as the name of the tenant occupying space in the same building as Michaels Auto Body. The reason for this request is due to the fact that Michaels Auto Body does not have road frontage on South Main Street. This Variance is requested under Sign Regulation Section 11-7-9 found in the City of Harrisonburg Zoning Regulations.

We will remove all freestanding signs located on KAR Towing's property as well as the existing Michaels Auto Body/Hertz Sign located on the Valley Lanes property, the existing Michaels Auto Body Sign was granted under a previous variance application

On behalf of Michaels Auto Body and KAR Towing we appreciate your consideration in this matter
