What is “Affordable Housing” and do we have any?

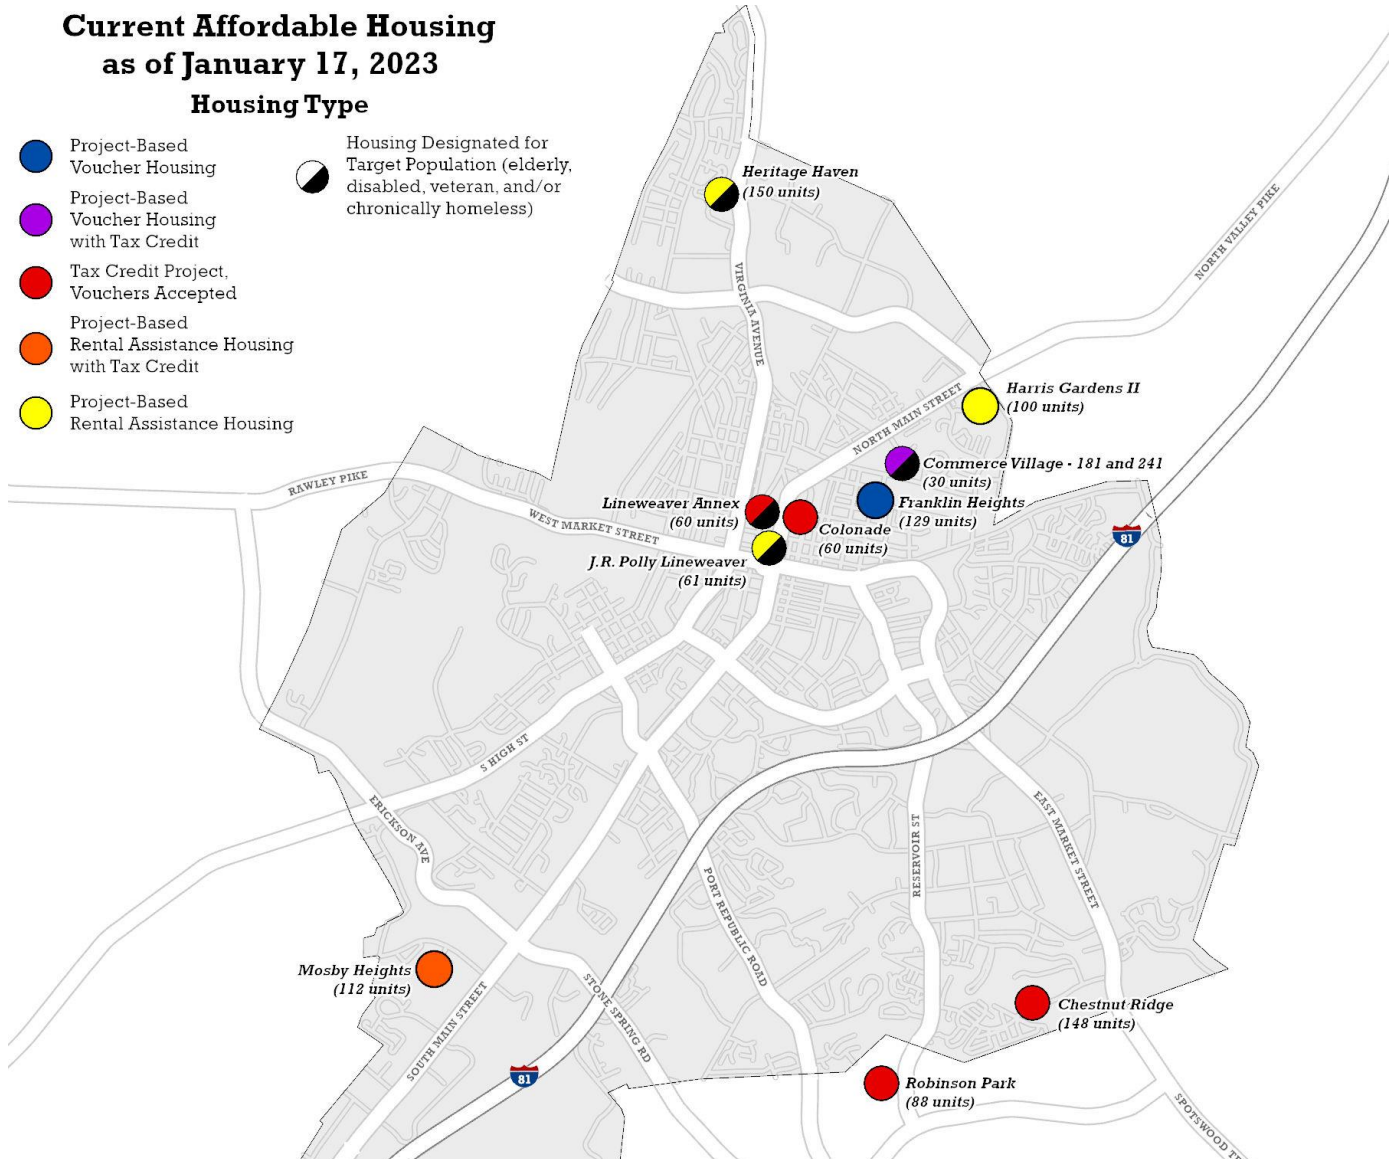

Income-qualified families may be eligible for housing at reduced rates.

- Vouchers & Section 8: Families in rental assistance programs pay 30% of their income for housing; the rest is subsidized. Subsidy may be tied to the family and/or the unit. Units that are subsidized can’t also accept vouchers. Eligibility is generally restricted to 50% AMI with targeting at 30% AMI & below, but can go up to 80% AMI. 797 vouchers serve Harrisonburg & Rockingham in addition to those at Franklin Heights and Commerce Village.
- Low-Income Housing Tax Credits: Offers below-market rents to qualifying households (not subsidized).
