Why do you wish to serve on a board or commission?

I feel I am an informed citizen interested in learning all I can about the topic and sharing it in the community.

What relevant experience or education do you have to this board or commission?

As a resident of Harrisonburg's downtown I witness on a daily basis behaviors that cause bodily peril to pedestrians and those on two-wheeled vehicles as well as psychological stress on drivers of cars and trucks. I would like to become more involved in the process of effecting sensible, organic changes.

What other interests or concerns do you have regarding the community?

I would like to see creative solutions from similar communities implemented in Harrisonburg. I believe a multi-pronged educational approach combined with consistent enforcement is key to creating a culture of consideration and tolerance.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

PLEASE SEE ATTACHED SHEET
