# Affordable Housing Proffer

Summarized: For 15 years after the final certificate of occupancy is issued, 5% of the total number of units will be in the form of for-lease affordable dwelling units for households with incomes at or below 80% area median family income (AMI). (NOTE: Family size will not be considered for thresholds.)

FY 2021 US HUD reported

- Harrisonburg AMI = \$66,700
- Harrisonburg 80% AMI = \$54,700

156 dwellings units X 5% requires 8 dwelling units be reserved for households at or below 80% AMI.

Monthly rents will be market rate and would not be held to 30% of a household's income.
