Interests & Experiences

Mr. Kurt Schick

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I've already served two terms on the Tree Advisory Board, so now I'd like to continue serving the city on a related committee. Also, I own property along the North Fork of the Shenandoah, so I'm interested in protecting our waterways.

What other interests or concerns do you have regarding the community?

I'm interested in issues regarding land and wildlife management, as well as property development.

What relevant experience or education do you have to this board or commission?

I have considerable experience related to arboriculture, including coursework at BRCC, forestry management, and service on the PTAB. Beyond that, I don't know much about stormwater management but I'm willing to learn!

Please list any past or present community involvement e.g. City Council, Boards and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

Tree Advisory Board member for the past six years.
