

Public Notice: Public Hearing for Transportation Grant Applications

The City of Harrisonburg is considering two project applications for Transportation Alternatives Program grant funding through the Virginia Department of Transportation. The projects include a sidewalk along the south side of Country Club Road, east of Linda Lane, and a shared bicycle and pedestrian path, part of the Northend Greenway, between Jefferson Street and Roberts Court.

Additional information about the proposed projects will be provided with the City Council agenda for the September 14, 2021 meeting, which will be available on <https://www.harrisonburgva.gov/agendas>. The City Council meeting will include a presentation about the projects and a public hearing for each project.

Questions may be directed to Jakob zumFelde, Harrisonburg Department of Public Works, at 540-434-5928 or jakob.zumfelde@harrisonburgva.gov
