Additional comments: I am passionate about our city. I am interested particularly in the well-being of our people and their neighborhoods. The Planning Commission is a place to dig-in, to listen and to learn to apply the rules that we have AND to look for ways to do things in better ways. I would appreciate the opportunity to continue to serve and to advocate for the people of our City. Gil Colman has graciously agreed to serve as a reference for me if you desire to contact him.
