RE: *Madison Lucy Realty, LLC Application for Change of Zoning District (Rezoning); Application for Special Use Permit / 10-3-55.4(1); and Application for Special Use Permit / 10-3-55.4(4)*

Dear City Councilors and Commissioners:

At the Planning Commission hearing on August 8, 2018, Mr. Willie Lanier, Jr., the principal of the Applicant, Madison Lucy Realty, LLC (the "Applicant"), listened carefully to the concerns of the neighbors who live in the townhomes immediately south of the project and in the neighborhood further to the south. Mr. Lanier also held the community meeting last Friday evening, September 7, 2018. Approximately 27 people attended out of the 353 to whom notices were mailed.

Based on the concerns heard at the public hearing and feedback received at the community meeting, the Applicant has revised the concept plan for the proposed rezoning and special use permit requests pertaining to Tax Map parcel 77-A-1 and TMP 77-A-2 on Lucy Drive. The Applicant has also agreed to additional proffers, as described below.

Many of the citizens who commented on the proposed project expressed concern that the proposed project was intended solely as student housing. Another concern was that a greater buffer would be desirable between the project and the townhomes on Emerald Avenue. The Applicant has taken two major steps to address these concerns.

The changes proposed in the revised Concept Plan, enclosed, are as follows:

1. Elimination of 4-bedroom units to address the concern of the neighboring residents that the development will appeal primarily to students; the change in

the mix of bedrooms will reduce the parking space requirements, which will permit the other material modification.

2. The project will retain as many of the existing trees as possible along the southeast portion of the property boundary.

The change in the unit mix will result in a change in the footprint of the building, requiring a small reduction in the retail and office square footage on the ground floors. Therefore, the second proposed proffer below has been modified with respect to minimum square footage. A proffer has been added to eliminate units with greater than three bedrooms.

Proffer Statement

The Applicant hereby voluntarily proffers that, if the City of Harrisonburg City Council acts to rezone the Property as requested, the development of the Property shall be in strict accordance with the following proffered conditions pursuant to Section 15.2-2297, -2298, or -2303 (as applicable) of the Code of Virginia, 1950, as amended, and pursuant to Section 10-3-123 of the City of Harrisonburg Zoning Ordinance.

- (1) No parking lot (including travel lanes and drive aisles but excluding a bus pull-off lane) shall be located between any building and Lucy Drive.*
- (2) The Property shall contain residential and non-residential uses. A minimum of 6,530 square feet of non-residential uses shall be contained on the first floor of buildings along the Lucy Drive side of the buildings. This proffer does not preclude the property from adding non-residential uses up to the entire first floor of any building.*
- (3) The calculated number of trips from the site (when evaluated using the ITE Trip Generation Manual) shall not exceed the maximum number of trips in the accepted traffic impact study authored by Timmons Group dated June 2018, revised July 2, 2018 (the "TIA Study"). If increases in the number of trips are proposed, the Department of Public Works may require a new traffic impact study, and the property owner shall be responsible for implementing mitigations identified in the new traffic impact study.*
- (4) The Property shall not contain residential units that have greater than three (3) bedrooms per unit.*

- (5) The height of any buildings shall not exceed forty-seven feet (47') above finished grade.*
- (6) The total maximum number of dwelling units shall not exceed one hundred seventeen (117).*
- (7) The existing vegetation (trees and shrubbery) parallel to and within 23 feet of a section of the southern property line located between the southeastern property corner and a point 250 feet to the west along the southern property line (as depicted on the Concept Plan) shall be maintained to provide a vegetated buffer between adjacent residential uses and uses on the subject site; or, an evergreen vegetative buffer shall be created and maintained within the same area with the intent to create a dense screen, where such evergreens shall be planted at no less than 5 to 7 feet on center and 6 feet in height at the time of planting.*
- (8) A six foot (6') opaque fence shall be erected along the southern boundary of the property to prevent trespassing.*

Thank you for your consideration of this submission.

Very sincerely yours,

Lori H. Schweller

ALTA/NSPS SURVEYOR'S CERTIFICATION

TO: CHICAGO TITLE INSURANCE COMPANY AND MADISON LUCY REALTY, LLC, ITS SUCCESSORS AND ASSIGNS:

THIS IS TO CERTIFY THAT THIS MAP OR PLAT AND THE SURVEY ON WHICH IT IS BASED WERE MADE IN ACCORDANCE WITH THE "2016 MINIMUM STANDARD DETAIL REQUIREMENTS FOR ALTA/NSPS LAND TITLE SURVEYS," JOINTLY ESTABLISHED AND ADOPTED BY ALTA AND NSPS, AND INCLUDES ITEMS 1, 2, 3, 4, 5, 6(a), 6, 8, 9, 13, 14, AND 16 OF TABLE A THEREOF. THE FIELD WORK WAS COMPLETED ON MARCH 13, 2018. PURSUANT TO THE ACCURACY STANDARDS AS ADOPTED BY ALTA AND NSPS AND IN EFFECT ON THE DATE OF THIS CERTIFICATION, UNDERSIGNED FURTHER CERTIFIES THAT IN MY PROFESSIONAL OPINION, AS A LAND SURVEYOR REGISTERED IN THE COMMONWEALTH OF VIRGINIA, THE RELATIVE POSITIONAL ACCURACY OF THIS SURVEY DOES NOT EXCEED THAT WHICH IS SPECIFIED THEREIN.
