Requested Subdivision Ordinance Variances

- Sections 10-2-61(a), 10-2-66, and 10-2-67, together, require the subdivider to construct street improvements in accordance with city standards at their expense.
- If approved, variances would allow the applicant not to construct required street improvements along South High Street prior to subdividing properties.
- Property owner will be responsible for improvements when each parcel is developed.

SUP – Section 10-3-97 (3)

To allow business and professional offices

Suggested SUP Conditions

1. The special use permit shall apply only to the area generally shown and described as Lot 1 on the preliminary plat titled Stoneburner Land LLC Subdivision dated June 24, 2020.
2. The special use permit shall be applicable only for the use, or a substantially similar use, as requested in this application.

Recommendation

Staff and Planning Commission recommended approval (5-0) to approve the preliminary plat with variances and to approve the SUP with conditions.
