Why do you wish to serve on a board or commission?			

As a city resident, business owner, former planning commissioner, and because of my involvedment with other non-profilt organiztaions, I am aware of the needs of low income families, and individuals in our city, specially the need for housing; so I see this as an opportunity

## What relevant experience or education do you have to this board or commission?

to contiue serving our city and its residents, working to provide housing opportunities.

I am a Licensed Professional Engineer, with an undergraduate degree in Civil Engineering, and a Masters Degree in Civil and Environmental Engineering. I am and have been involved in providing civil engineering and land development palnning services through my business and prvious employer to the Harrisonburg and sorounding areas.

What other interests or concerns do you have regarding the community?
have been a Planning Commissioner with the City of Harrisonburg for the past 8 year, and have been involved in reviewing and making recommendations to City Council regarding numerous planning and zoning issues affecting our City.
, and a series of the series o
Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:
City of Harrisonbur Planning Commission, Board of Zoning Appeals, and other temporary subcommittess. Central Valley Habitat for Humanity Board, and several committees.
