Subject:

Consider approving an ordinance amendment to Section 7-4-1 of the Harrisonburg City Code increasing water and sewer/authority rates

Presented By: Mike Collins, Public Utilities Director

The ordinance amendment would increase rates per one thousand (1000) gallons charged by the City as follows; water rates by twenty cents (\$.20), sewer rates by twelve cents (\$.12), and seasonal rates by one cent (\$.01) per thousand gallons on all customers. This is an amendment to raise water and sewer/authority rates as approved by the Council for the FY 22-23 budget.
