Consider adoption of City Council 2039 Vision and 2022 Priorities

Presented By: Eric Campbell, City Manager

At the City Council Retreat held February 1-3, 2019, the City Council together created a vision statement capturing what they envision as the most ideal state of the City in 20 years. Based on City Council's draft vision, the City's Executive Leadership Team developed actionable priorities for City departments to accomplish over the next three years that will move the City government toward the 2039 vision.

The recommendation is for City Council to adopt its 2039 Vision and the 2022 Priorities.
