Subject:

Consider a draft funding plan on the needs identified and prioritized by the CARES Act Advisory Task Force.

Presented By: Ande Banks, Deputy City Manager

City staff have prepared a draft funding plan based on the needs identified and prioritized by the CARES Act Advisory Task Force. These funding recommendations are also informed by the first round of CARES Act funding and are made in conjunction with the logistics of community partnerships as City staff continue to work through quantifying community needs and eligibility associated with the federal funding parameters.
