Annual Update on the Raw Water Supply Management (RWSMP)

Presented By: Mike Collins, director of Public Utilities

The City is currently operating under the guidelines of the HPU "Raw Water Supply Management Plan". The plan is a culmination of actions that have been organized with purpose to assure that the City of Harrisonburg will have adequate raw water to supply its future needs. The Plan addresses Dry River, North River, South Fork Shenandoah River, Silver Lake and some potential future other sources of raw water supply.
