Legislation Text

File #: ID 19-151, **Version:** 1

Subject:

Consider the reallocation of budgeted funds in the School Capital Projects Fund in the amount of \$30,212.87.

Presented By: City Staff

At the conclusion of the new elementary school and pre-k facility projects, there were residual budgeted amounts remaining in these two projects. This reallocation will transfer these residual amounts into the new high school capital project account.
