Subject:

Consider amending and reenacting Section 10-3-30.1 Parking Lot Landscaping, of the Code of Ordinances, City of Harrisonburg, VA.

Presented By: Chris Brown, City Attorney

There were errors in the text of the amendments sent to Municode after City Council amended Section 10-3-30.1, which relates to parking lot landscaping requirements, on September 27, 2016. This ordinance is intended to correct the record from 2016 and ensure the ordinances published on Municode match those adopted by this body.
