

Request to Install a Mural at the Navigation Center

Presented by Amy Snider

February 25, 2025

The James Madison University
Gamma Kappa Chapter of the
International Art Honor Society,
Kappa Pi, desires to install a mural
inside of the Navigation Center.
The materials and labor will be
donated, with no cost to the City.

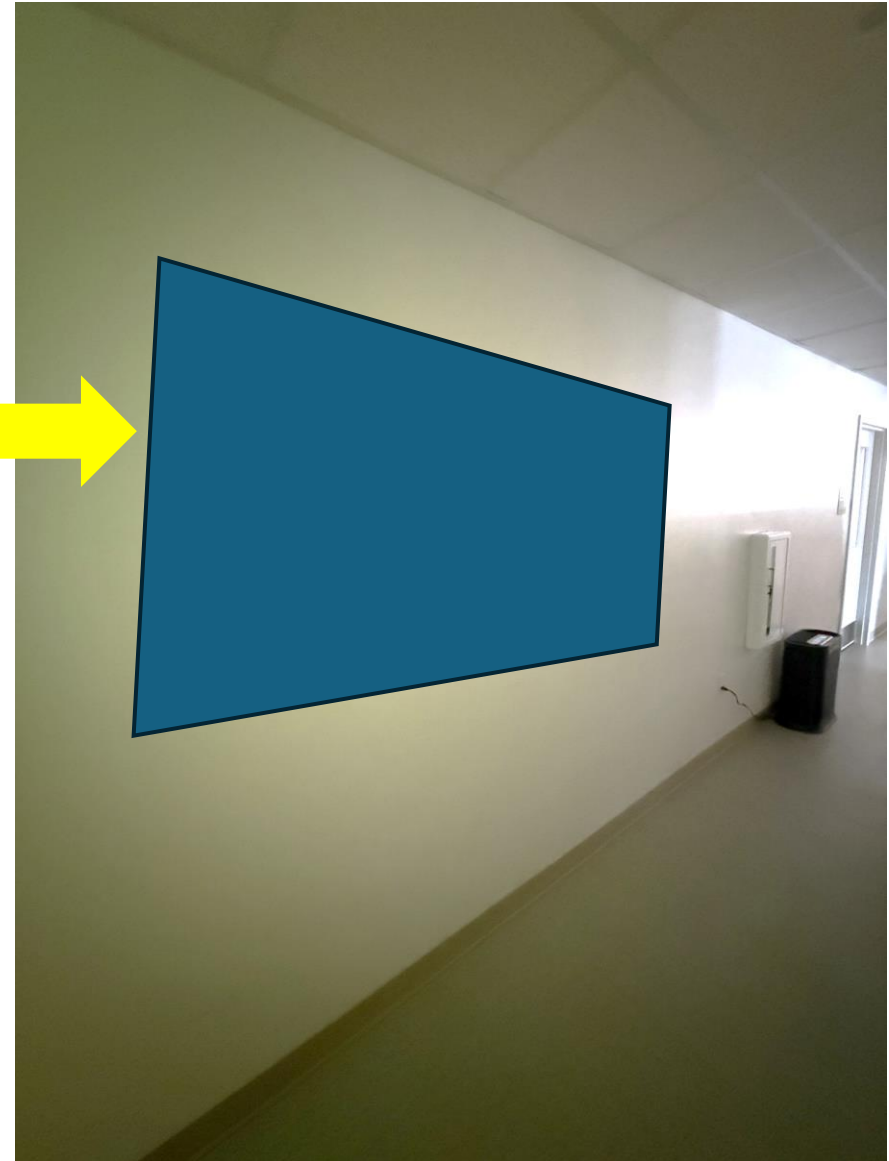

The mural aims evoke a sense of calm and happiness inspired by the Shenandoah Mountains.

The mural is proposed to be located
on the wall in one of the men's
dormitories upstairs.

City Staff Recommendation:

Approve the request to install a mural inside of the Navigation Center.
